

ISLAM & MOHAMMAD

Is Mohammad a prophet of God? Is the Quran God's word? Is the Allah of Islam the same God as the God of the Bible? Were both the Quran and the Bible written by the same God? Or is only the Bible God's word, as the Bible claims?

How can we find the truth in these matters? We need to examine the teachings of Islam in the Quran, Hadiths and Sira; and compare them with the teachings of the Bible. We must study what Allah taught and how Mohammad lived.

Muslims claim the Quran cannot be translated out of Arabic. This is not true. The essence of language is communication. If a language cannot be translated into another language it means it is not really a functional language. Study both the Islamic holy books and the Bible in a modern language so that you can understand them. Then you will be able to decide what your relationship to these books ought to be. Do not let your eternal life rest on what another man tells you. Ask God Himself to help you to understand the truth about Himself.

1. The Imperfection of God is Taught in Islam. This is called the Law of Abrogation (*Al-Nasikh Wal-Mansukh*) and is taught in Quran 2.106; Q.16.101; and Q.17.86. This doctrine teaches that later (Medina) verses can completely replace earlier (Mecca) verses. For example, the sword verses in the Quran (see Q.9.5; Q.9.29; Q.47.4; Q.8.39; etc.) have replaced approximately 124 other Quranic verses (see Q.2.256 & Q.109.6) teaching forgiveness and toleration of religious differences. If something is changeable, it is imperfect, for what can perfection change to? According to the Bible only God is perfect. Because He is, He cannot be changeable (Numbers 23.19; Deuteronomy 32.4; 2 Samuel 22.31; Malachi 3.6; Matthew 5.48). The Islamic doctrine of Abrogation is blasphemous. The Allah of Islam, in revealing his words to his Rasul, Mohammad, actually changed them, replacing them with completely opposite teachings. Allah said something at one time, and then at a later date completely contradicted it. Can you trust someone who contradicts himself? Can God contradict Himself? Examine the Bible and see there are no contradictions in it, even though God used more than 40 different prophets to write His words in 66 books (39 Hebrew Old Testament books & 27 Greek New Testament books) over a period of 1600 years, from Moses in 1500 BC to John in 90 AD. More than 40 different prophets, most who never knew each other on earth, all giving the same teaching. Compare this with the Quran, in which Allah used only one man to write his words over a period of 23 years, overflowing with contradictions in the Doctrine of Abrogation. Allah and Mohammad also contradicted all earlier true books of God (Tevrat, Zaboor, and Injil). If God is perfect, both He and His words must be unchangeable. The Bible is the unchangeable word of the true and living God; it cannot be broken (Isaiah 40.8; John 10.35b).

2. Lying is Encouraged in Islam. Allah is called the Greatest or Master Deceiver (*Khayrul Makireen*) in Q.3.54 and Q.8.30. Not only is Allah the Master Deceiver but he also encourages Muslims to lie (Sahih Muslim 32.6303). With typical illogical logic, he teaches that saying something untrue is not the same as lying (Bukhari 3.49.857). (Everything else in the world, that is the definition of lying.) Muslims do not have to honor promises or keep treaty obligations with non-Muslims (Q.9.1-3). Compare this with an account of treaty obligations with Israel's enemies in the Bible in Joshua 9.1-27. Also, in Islam, lying (*taqiyya*) is encouraged in order to advance Islam (Bukhari 5.59.369 & B.9.84.64). Deceptive taqiyya Islam is

what we are experiencing all over the West today with its description of itself as a religion of peace. The God of the Bible does not lie, nor does He allow His followers to lie (Numbers 23.19; Leviticus 19.11; Proverbs 6.16-19). In the Bible, it is only the devil who is called the deceiver and the father of lies (John 8.44). Lying violates the Bible God's 9th commandment. It is very serious sin. No one who has told a lie can enter heaven (Revelations 21.8).

3. Stealing is Encouraged in Islam. After his first wife Khadija died, Mohammad moved to Medina and began to earn his living as a thief by robbing caravans and murdering their leaders (Q.8.69; Q.33.27; Q.48.20; Ibn Ishaq 327; 416-428; 503; 508; Bukhari 44.668). He became extremely rich doing this, both in the amount of wealth as well as the number of slaves he acquired in this way. Stealing violates God's 8th commandment. And because sin always begins in the heart, stealing violates #10 as well.

4. Women in Islam. Wives are the property of husbands, like fields to be plowed whenever and however husbands want (Q.2.223; Abu Dawud 11.2138-39). Most of the people in hell are women because of their inferiority in intelligence and religion (Bukhari 1.6.301 & 7.62.132). Women have ½ the value of men's testimony at court (Q.2.282; Bukhari 3.48.826). Girls receive ½ the inheritance of boys (Q.4.11). Muslims require women to undergo barbaric female genital mutilation or clitorectomy (Sahih Muslim 3.684; Reliance of the Traveller e.4.3). (This is not a minor surgical procedure as is male circumcision. It is most often performed on near teenaged girls without anesthesia.) Muslim women are easily honor murdered. They are inferior to men and may be freely beaten by their husbands (Q.4.34). Muslim men can not be questioned in Sharia courts as to why they beat their wives (Abu Dawud 11.2142). Wives have no legal protection against savage beatings by husbands. And no man will be prosecuted in Islam for personally murdering his own daughter, wife, sister, or mother if he feels her conduct brings shame to him. Compare this with the Bible (1Peter 3.7): If a man does not treat his wife with honor or respect, his prayers will not be heard by God. It is not possible to respect or honor someone you can beat up.

5. Adultery is Permitted in Islam. In Q.33.37 Mohammad is permitted to marry his adopted son's wife. Some Muslims say this verse was written after Zeyneb divorced Said, but this would make no difference. For the God of the Bible, to marry someone who is divorced is the same as committing adultery (except in cases of unfaithfulness or desertion – and beating is desertion, though in reverse, because God never asks anyone to stay with a person who is beating them). God hates divorce and punishes adultery severely (Malachi 2.16; Leviticus 20.10). Adultery violates God's 7th Commandment.

6. Rape is Encouraged in Islam. Allah encourages Muslim men to rape unlimited numbers of non-Muslim women, whoever they can capture: milk al-yamin, "whatever your right hand possesses" (Q.4.3; Q.4.24; Q.23.1-6; Q.24.33; Q.33.50). These are sex slaves. They do not count as wives and sex with them is not considered adultery! Islam permits men to sell sex slaves after raping them. Compare this with the Bible's command that a man who is victorious in battle and who wants sex with a captive woman must first marry that woman, after allowing her a suitable time to mourn the death of her previous family. If he does not keep

her as his wife he must let her go free (Deuteronomy 21.10-14). We know many Western men have raped war captives. But these acts of violence are never sanctioned in the Bible. Rape is not allowed by the God of the Bible. In Islam, Allah encourages rape.

7. Sex with Little Children is Allowed in Islam. Mohammad had sex with a little child (Bukhari 7.62.88; Sahih Muslim 8.3309-3311). There is no way a child 6-9 years old can give consent for sex and marriage to an adult. And this cannot be made acceptable by attributing it to cultural differences, even in the case of a feeble-minded father who gives his consent to the sexual molestation of his own daughter, as Abu Bakr did in the case of Ayshe (Bukhari 7.62.18). (Abu Bakr was the 1st Caliph after Mohammad died.) This is nothing less than vicious child rape and sex molestation. The legal age for marriage for girls in Iran today is 9 (Civil code Article #1041), but religious, Sharia compliant Muslim men all over the globe are raping much younger girls, even infants. Mohammad set the example. No man who has sex with a little child can claim to be a prophet of God. That is abominable blasphemy. Having sex with little children is so wicked that it is not even recorded in the Bible.

8. Murder is Commanded in Islam. Q.9.5 & Q.9.29 tell Muslims to kill all men who do not believe that Allah is God and Mohammad is his prophet. Compare this with the Bible which tells Christians and Jews they must love their enemies, do good to those who hate them, bless those who curse them and pray for those who mistreat them (Exodus 23.4-5; Leviticus 19.18; Luke 6.27-36). Mohammad's genocidal mass murder of the Jews (after they surrendered), who numbered 50% of the population of Medina in Arabia (Ishaq 690; Bukhari 5.59.362) is an event that Muslims to this day show no remorse over. In fact they taunt Jews about Khaybar. And why was this genocide practiced against the Jews in Arabia? Because they would not accept Mohammad as a prophet of their God. In the Bible, only the devil wants men to murder other men who don't believe as they do. The notorious and irrational Jew hatred of Islam dates from this period of the barbaric savagery of Mohammad against the Jews of his day. Murder violates God's 6th Commandment.

9. Force & Violence are Acceptable Methods of Spreading Islam. The Allah of Islam hates all non-Muslims (kafir, infidel). The kafir is the most despised and vilest of creatures (Q.8.55; Q.98.6; Q.7.176; Q.7.179). The Quran tells Muslims to be compassionate to Muslims but ruthless to the kafir (Q.48.29). In both Christianity and Islam there are only two worlds: the worlds of the believer and the unbeliever. The Christian is commanded by God to be kind to the unbeliever and serve him, following the example of God when he lived on earth as a man (2Corinthians 4.5; Mark 10.45). In Islam the two worlds are called by very revealing names: the House of Islam and the House of War. All men are either in Islam or in war with Islam. All Muslims in the world are commanded by Allah to bring all non-Muslims into submission to Islam, forcibly if not willingly (Q.9.5; Q.9.29; Q.9.73; Q.8.12; Q.8.39; Q.47.4; Q.3.151; Reliance of the Traveller o.9.6). Mohammad actually believed he was sent by Allah to bring every kafir under the yoke of Islam (Sahih Muslim 1.31). Islam's goal is to conquer the whole world (Jihad) and to force it to become Muslim. Islam offers three choices to those they conquer: 1) Conversion to Islam; 2) Dhimmitude (humiliating 2nd class citizenship in the Muslim world) with payment of the Jizya tax (historically 50%, which non-Muslims pay Muslims to keep from being

murdered and robbed by them – similar to Mafia protection money); 3) Death. Compare the Islamic way with this paper you hold in your hand. You find this paper offensive because it is difficult to face the presence of such overwhelming evil in your religion. But we are giving you this information because of God's love for you from us; and we invite you to discover the God of the Bible on your own. We will not cut your throat or force you to pay a humiliating tax if you refuse to become God's followers. The God of the Bible hates violence and everyone who is violent; and He never allows violence as a way to spread His truth to the nations. Men's violence against each other is why God destroyed the world in Noah's flood (Genesis 6.11-13; Psalm 11.5). In the Bible, only the devil and his followers love violence.

10. Slavery is Permitted in Islam. Mohammad owned and traded many slaves (Bukhari 1.8.440; 3.34.295; 3.36.481; 7.65.344; Sahih Muslim 1.130; 8.3383; Guillaume, Life of Mohammad, pp.466-593). A racist, he called black people raisin heads (Bukhari 1.11.662). Islam has never abolished its practice of slavery. It still exists widely today in Africa, Arabia and the Gulf States. Slavery is divinely approved by Allah and is part of Islam's savage policy against the kafir.

11. Heaven in Islam is Full of Sex & Alcohol. The heaven of Islam is very bizarre to anyone familiar with the Bible and Western Logic. How is it possible that Muslims are allowed in heaven what is forbidden to them on earth: unending sex and rivers of alcohol? (Q.5.91; Q.47.15). For those who are faithful in Islam, lust is the primary reward in heaven (Q.55.46-78; Q.56.11-39). Compare this with the Bible's heaven, where the main attraction is fellowship with God Himself; and where all our godly desires are fulfilled beyond anything we could ever imagine.

12. Islam denies Christ's Crucifixion. Q.4.157 says that Jesus did not die on the cross. Are we to believe the factual, historical, eye witness testimony of Christ's crucifixion and resurrection by more than 500 contemporaries (1Corinthians 15.6), or the opinion of Mohammad who was born 540 years after these events? Christ is the main subject of the Bible. His cross is its main message. Christ's crucifixion is the spiritual watershed of the universe. It is the reason God created the world: so that the glory of His holy justice could be displayed. Just as a good human judge cannot overlook crime but must demand its penalty be paid, so also the holy God of the Bible cannot overlook sin but must require its penalty be paid. The Bible defines sin as lawlessness or disobedience (1John 3.4) to God's moral law (summarized in the 10 Commandments of Exodus 20). Men cannot undo the sin they have done nor can they do anything to make themselves clean to remove their sin. God's penalty for breaking His law is eternal spiritual death in hell. Islam's main concern is killing all kafir who don't accept Allah as God and Mohammad as his prophet. Allah hates them, so his Jahidi followers murder them. The Bible God's main concern is His holy justice and rescuing men from its penalty because He loves them. How does He do this? Not by murdering unbelievers, like Allah does, but by dying for them, like Jesus does. What a difference. There is historical proof for the Bible account. The Bible gives eye witness accounts which men believed so strongly they were willing to die for them. What does your heart tell you is true? Which account does your heart want to be true? The marauding Jahidi murderers who want to end

your earthly life, or the harmless Christians who want you to accept God's gift in order to have eternal life? How absolutely preposterous that the Creator of life would sacrifice Himself to death on a cross in order to give us eternal life – because in no other way can the filth of our sins be removed so that God can admit us into His heaven without compromising His holy justice. He cannot and does not overlook sin the way Allah does. He must punish it. So God takes the punishment on Himself and we get ransomed from the eternal death penalty that we deserve. This is so preposterous. No man could have dreamed this up. God as a Spirit cannot die. He must come down from heaven and become a man so that, as a man, He can die. For our sins. Which of these two would you rather have for your God? Jihadis offer you nothing but the annoyance of a grisly death if you refuse them. Christ offers you the shed blood from His corban sacrifice on the cross to cover your sins for the sake of His justice. If you refuse His gift you must spend eternity in hell without Him. The world dates itself by the arrival of Christ. Christ's crucifixion is an historical fact that cannot be denied by Mohammad who comes along more than 500 years later. Mohammad was a deceitful man who led a most unholy life, full of unlawful sex and grisly violence: he was a liar, thief, adulterer, mass murderer, child sex molester, serial rapist, wife beater and slave trader. What blasphemy to say that he could be the prophet of a holy God. The advent of Christ is what every Old Testament saint was expecting and waiting for; and every New Testament saint experienced and rejoiced over. Consider the following Bible prophecies: King David described Christ's death on the cross 1000 years before it happened (Psalm 22) and before even crucifixion was invented by the Romans. Isaiah predicted Christ's crucifixion more than 700 years before it happened (Isaiah 53). Daniel wrote about it 600 years before it happened and even prophesied when the Jewish temple and city of Jerusalem were destroyed (Daniel 9.25-26). Only the Creator of all things, including time, is able to predict the future. There are many books in the world which claim to be from God, but only the Bible gives prophecies and predictions of future events which have been or will be fulfilled in history (Deuteronomy 18.22; Isaiah 46.9-10). There are over 300 prophecies in the Bible and not one in the Quran. This fact alone shows that only the Bible can qualify as God's word.

13. Muslim Double Standards. We often hear Muslims say how degenerate America and Western European nations are. We agree. But dear Muslims, consider where you are now. Has anyone ever wanted to immigrate to a Muslim country, besides Christian missionaries and Muslim terrorists? Most people come to America to have a better life than the one they had in their country of origin. The lack of freedom of speech, conscience and religion; the poverty and lack of economic opportunity; the political oppression and totalitarian tyranny of nations are directly tied to the religions of those nations. The poverty, tyranny and oppression of Communist nations are directly tied to their atheistic religions of Evolutionism and Marxism. The poverty, racism, corruption in government, lack of personal freedom, misogyny, and tyrannical oppression in the Muslim nations are directly tied to Islam. The only places in the world today which are free are those which were founded by Bible influenced people, as in Israel or the Reformed Protestant Christians that God directed to found America. God and His Bible followers made America free, prosperous and strong by instituting small and limited government; respect for the individual and his private property; capitalistic free market

trade; institutions which are directly related to God's wisdom and Commandments in the Bible:

Man, though originally created perfect, became sinful by his free, immoral choice, which new, contaminated nature he then passed on to all his descendants, which are, since that first disobedience, sinful by nature. Since men are sinful and their hatred for other men often issues in murder, and since God does not allow men to personally avenge themselves (Leviticus 19.18, Deuteronomy 32.35, Romans 12.19), God established civil government (Genesis 9.6). Its main function is the very limited purpose of punishment of evil doers. The function of government in God's system is not free welfare, free health care, free education; and all the other communistic baggage which has crept into our precious nation, all to be paid for by legalized government theft in taxing the honest earnings of hard working men. All of these things only allow government to become more powerful and tyrannical. Because men are evil by nature, God's governmental system must be kept small and limited and closely guarded. It must protect life, liberty and property from evil doers. Individual freedom and private property are very important to God (Exodus 20.15,17). Even money in God's system is not issued by the government but arises out of the market (Genesis 23.16). Not only sinful actions are condemned by God but also sinful motivations in the heart, where sin starts (Exodus 20.17; Matthew 5.22,28). Which brings up God's institution of the church for the purpose of education . . .

We still enjoy today a modicum of the qualities which founded our free nation, even though our present heretical, irrelevant, sleepy churches have allowed all kinds of evil to infiltrate and dominate present day American society. Today's godless religion of Darwinian Evolutionism has produced our totally degenerate, criminalized society with its pornography, alcoholism, fornication, adultery, divorce, homosexuality and abortion. We Christians have failed to keep America pure. But it was never American people who were special. As the Bible teaches, all men have the same sin nature. What alone distinguished America and made it great was our founder's God and His Word, the Bible.

14. Islam and Israel. Finally, dear Muslims, you must read the Bible to learn the frightening outcome of all nations which make war against Israel. Whether we understand Israel to mean the physical nation in the Middle East of today, or whether we include, as well, all the Bible believing Christians as part of Israel, the fate of all who make war against Israel is the same. God did not transform Jews into apes & pigs as the Quran says (Q.5.60; Q.7.166; Q.2.65). Abraham, Jacob, Moses, Samuel, David, Jesus and Paul are all Jews. Every one of the 66 books of the Bible was written by God through a Jew except 2 books God wrote through a Greek doctor named Luke. God will not abandon Israel. In the Bible, Zion is heaven. All Christians are spiritual Zionists. All who declare war against Zion or Israel are declaring war against God Himself. God has always been, and will always be, the God of Israel. Please, precious Muslims, avoid at all costs being on the wrong side of God. (Isaiah 41.8-17; Obadiah 1.10)

Come serve the only true and living God of the Bible. Muslims claim that our Bible has been changed, but they cannot prove this unless they can produce the true original, which they cannot do. We, on the other hand, have numerous excellent and reliable early manuscripts which agree with our present Bible; and these date from before Mohammad by hundreds of years. Our Bible has never been changed. Muslim scholars have told Muslims this because

they do not want them to read the Bible or think it has any authority over them. On such important issues you need to read the Bible and the Islamic holy books on your own to decide for yourself what is truly God's word and what is not. Many Muslims are surprised when they discover that their Quran, which they thought was so beautiful and holy is filled with apartheid racism, murderous hatred and violent curses. The poetry and cadence of the classical Arabic Quran is well known for its beauty, but it is more important to understand its meaning if we are going to base our eternal lives on it. In the Quran there are no miracles; no prophecies or predictions of future events; nor is there even one reference to the 10 Commandments; no history, no geography, and no promises from God, while the Bible is full of all of these things. That is one of the ways God tells us in the Bible to prove the authenticity of a man who claims to be a prophet: If the prophecies that the prophet speaks come true then we know that prophet's words are from God (Deuteronomy 18:22; Jeremiah 28:9; Isaiah 42:9). That the Bible is God's only written revelation is proved by the numerous fulfilled prophecies in history, a few of which we have given you in this paper. Another evidence that the Bible is truly God's word is by how God's prophets lived. Not one of God's prophets did the things that Mohammad did. The teachings of Islam (a few of which we have given you above) could never be taught by the God of the Bible. The Quran, Hadiths and Sira cannot be God's word. There have been numerous false prophets who have appeared in the world in these 4,350 years since the Flood of Noah. These false prophets have given us many books filled with unbiblical teachings. And all of these false prophets have lived very similar lives, full of grisly violence and unlawful sex. None of them were pure, holy men. None can compare with the prophets of the Bible. The Bible is God's only written revelation to men. It cannot be added to or subtracted from. God warns that anyone who is guilty of this will suffer eternal punishment in the everlasting fires of hell (Galatians 1:6-9; Revelation 22:18-19). This is exactly what all false prophets have done: added to the Bible their false doctrines; and subtracted from the Bible the truths that God gave us in the Bible. Islamic doctrines teach Allah's deceptiveness; his illogical self contradictoriness; and his changeable imperfection. They allow Muslims to lie, steal, murder, commit adultery, rape, beat wives, own and trade slaves and have unlawful sex with small children. We must not give our intellectual assent to these blasphemous teachings. God does not allow men to do these abominable things without the greatest punishment. Do not insult God's holy honor and your own intelligence by believing such wicked nonsense.

The Lord Jesus Christ invites you to come to Him if you are thirsty for a holy, pure, hardworking, non-violent, non-sex-crazed God (Isaiah 55; Matthew 11:28-30); to ask His pardon for your having broken His moral law; to beg Him to have His sacrificial death on the cross applied to your sins; to receive all the love and wisdom that He has for all who come to Him and put their trust in Him; and to give up all false religious teachings outside of the Bible. The God of the Bible does not give men verses like the sword verses in the Quran in Q.9.5 & Q.9.29. Read the Quran and compare it with the Bible and discover for yourself Islam's devilishness. And then turn away from all false religion and come and worship the only true and living God of the Bible, the Lord Jesus Christ.

It is time that Muslims became aware of what Islam has produced these past 14 centuries since it began in 622 AD.

Muslims were not fighting in self-defense in the Iberian Peninsula, North Africa, the Levant, Anatolia, the Balkans, and the land between Europe and China and India. Men can say they are defending themselves if they are fighting a foreign invader in their own land, but they cannot say they are defending themselves when they are fighting foreigners in the foreigner's lands. That is the work of attackers and conquerors. What were the Muslims doing fighting in all those lands outside of Arabia? They were trying to take over the entire world. And they are trying to do the same today. The people in today's Muslim lands did not convert to Islam because they had a choice. They were conquered and forced to become Muslims. We Christians of today are so ashamed of our disgraceful slaughter of the Jews in the Crusades. This is undoubtedly why the Crusaders lost the Crusades. We pray that both God and the Jews will forgive us for the Crusader's intolerable actions against the Jews. But without the Crusades against the Muslims, would there be a free Europe or America today? Muslims had been murdering Jews and Christians and stealing their land for centuries before the Crusaders very reasonably began to respond to the Islamic treachery. What happened on 9/11/2001 in New York City was not the work of Muslim extremists. It was the work of real Muslims who were following Islam in murdering innocent people in their lust for power and dominion over the entire earth. Islam is not a spiritual religion of beliefs about God, influencing individuals to live moral lives for God's honor. Islam is a semi religious, fascist, political agenda identical to that of the Nazis of WW2. What is at stake here is nothing less than the destruction of our great Western Civilization. Islam requires that Muslims kill or reduce to Dhimmi status all who do not convert to Islam. The thousands of Islamic terrorist groups throughout the world are pure Islam, the way Allah and Mohammad intended for it to be practiced. Moderate Muslims are a contradiction in terms. Islam is not moderate. It calls for the complete subjugation of all the kafir on the earth. That is a political goal, not a spiritual goal. Osama bin Laden is a sincere Muslim accurately following the Quran. From the Bible's perspective, he is a foolish, demented, immoral psychopath. Do not join him in following Islam. You must leave all devilish and false religious teachings and come to worship the Creator of the Universe, the Lord of Heaven and Earth, the God of the Bible. Choose wisely. Eternity is a long time to be wrong, aside from being very painful. Our new resurrection bodies are going to be indestructible. And the fire is eternal.

This paper has been prepared for you by Bible believers commanded by God to tell you the truth about your present predicament and about the love God now offers you. Do not be offended by what is written in this paper. Look into these matters and discover the truth for yourself. And may God bless you and bring you out of your darkness (just as He brought us out of our darkness) into His wonderful and holy kingdom of Truth and Light and Love, the kingdom of the Lord Jesus Christ, the one and only Lord of Lords and King of Kings. Amen.
