

BIBLES & BULLETS

Time for a Showdown? Jews & Christians are tolerant of other religions. Muslims are not. We allow Muslims to build mosques and worship freely in our Western lands, while Muslim nations have destroyed or confiscated most of our ancient Churches and Synagogues in their lands (which lands once belonged to us). Because Islam is not tolerant of other religions, should we tolerate Islam? Should we tolerate the intolerant? Is Islam a religion of peace? Is Islam even a religion? Should Islam be allowed in the West or anywhere in the world? Isn't it time for a showdown between Christianity and Islam because of the unacceptable characteristics we find in Islam? Simple self-preservation makes Islamophobia reasonable if Islam is really trying to destroy us. It was reasonable for us to destroy Nazism in World War2 because its goal was to conquer us. It is not reasonable to tolerate the intolerant.

What is Religion? Does what we believe determine how we behave? Certainly it does. Religion gives us our purpose and foundation in life. Religion is the beliefs which anchor our intellect (what we believe to be true), guide our will (determine how we make decisions), and manage our emotion (how we let things affect us and how we respond to them). In this sense, Atheism, Darwinian-Evolutionism, Nazism, Marxist Socialism and Communism are as much religions as Christianity and Islam. They each have beliefs which determine the private decisions and political arrangements which flow from them. Belief is foundational. What we believe to be true lies at the core of our soul. The Bible teaches that salvation is by belief alone (Genesis 15:6; Psalms 22:4; 34:22; 123:2; Habakkuk 2:4; Galatians 2:16). Even though Atheism, Evolutionism, Nazism, Socialism and Communism are quite different from each other, when compared with theistic religions, they strongly resemble each other in important respects. In each of these ideologies there is lacking a personal, purposeful, ethical, powerful and intelligent mind behind all the goings on in the universe. The earth (which is traveling at some 66,000 miles an hour) isn't heading anywhere purposefully, so men have to find their way around in it according to their own individual light. This spells out in men's daily lives as intellectual and moral relativism. The circumstances men find themselves in (according to these ideologies: a world with limited resources and too many people), necessitate certain measures in order to achieve an optimum environment. This usually translates into totalitarian type political arrangements because the elite consider themselves smarter than others and therefore most qualified to guide the 'masses' into what is best for everyone. Religion and politics are closely related. The difference in our religions is paramount. Our religion determines what our political arrangements will be. If we don't have truth in

our religion we will not know how to make good political arrangements in our government. America is uniquely the freest, richest, most generous, most important, most technologically advanced, most militarily powerful, most superior nation in the world and in all of history. It did not come that way by chance. America was founded on the Bible. It is the Bible which shaped American culture, laws and customs. In its founding, Americans were very different from what they have become today. The Bible and prayer used to be taught in our public schools. Divorce and adultery were not legal. Allowing homosexuality and the murder of unborn babies as legal was not even a remote possibility. And America was so noticeably singular at that time that even intelligent foreign visitors remarked on how moral American people were (de Tocqueville). What is Christianity? It is defined solely in reference to the Bible. Christianity accepts as true all the propositions of the Bible together with all their logical implications. How does the Bible define religion? As the fear of God. And the fear of God is described in the Bible as the beginning of wisdom. Truly spiritual religion tells us things like what to believe about God; how to behave towards Him; how to behave towards our fellowmen: parents; siblings; relatives; friends, enemies; the opposite sex; how to bring up children; how to make money working hard earning an honest living; and what to do with money. In sum, how to discern between right and wrong in all these relationships and activities. These are the important things which make up our daily lives. We do not find this in the political religion of Islam at all. 60% of the combined Islamic holy books (Quran, Hadiths, Sira) are about the non Muslim (kafir, infidel, us, in other words). And 67% of the Sira (biography of Mohammad) is about Jihad, which is physical, military warfare against all kafir in order to establish Islam as the only religion allowed in the world. This is a political goal, not a spiritual goal. Islam is much more akin to the totalitarian atheistic religions because its political arrangements are identical to theirs.

What is Islam? Is Islam spiritual at all? Why is it so different from other theistic religions? What are its goals? Why do so many Muslims feel the need to murder non Muslims for the sake of their religion? Are there any followers of other theistic religions who blow themselves and others up in order to defend their religion? Is there a difference between militant Islam and moderate Islam? Are Osama bin Laden (Al Qaeda) and Abu Bakr Al Baghdadi (ISIS, ISIL, Islamic State) good Muslims? Does our Creator & Ruler allow any of His creatures to commit suicide? Or murder other people? Should Muslims be allowed to have mosques and madrassas where

they plot the destruction of our Western civilization? Does freedom of speech allow speech which prescribes laws (Sharia) which are antithetical to the Biblically based laws of our land? Can freedom of speech allow speech which plots the destruction of freedom of speech? Can the 1st Amendment protect treason, sedition or speech advocating the institution of Sharia (Islamic Law) which would entail the overthrow of the American Constitution? Should Muslims be allowed to live in our land when their primary obedience is to law codes which call for the destruction of our Biblical law codes? What motivates Muslims? In Islam, as in all totalitarian political arrangements, the primary motivation for obedience is fear. Not fear of God (as in Christianity), but fear of other men! Islamic lands are just like all fascist, socialist and communist totalitarian lands which rule their people by fear of the bad things they will do to you if you step out of line.

Who is Islam's Allah? The Allah of Islam is very strange to anyone with some understanding of the Bible and Western logic. Allah instructs Muslims to do some very undesirable things to all people who don't agree with or want Islam as their religion. Islam prescribes death to all who leave Islam (Bukhari 9.83.17; 9.89.271; 2.23.483). **1)** Allah's main characteristic is his murderous hatred of all kafir (non Muslims). The kafir is the most despised and vilest of creatures (Quran.8.55; Q.98.6; Q.7.176; Q.7.179). The Quran tells Muslims to be compassionate to Muslims but ruthless to the kafir (Q.48.29). All Muslims in the world are commanded by Allah to bring all non-Muslims into submission to Islam, forcibly if they do not come willingly (Q.9.5; Q.9.29; Q.9.73; Q.8.12; Q.47.4; Q.3.151; Reliance of the Traveller o.9.6). Mohammad sincerely believed he was sent by Allah to bring every kafir under the yoke of Islam (Sahih Muslim 1.31). This war against the kafir is called Jihad. Jihad is not an inner struggle in the heart of every Muslim to conquer the evil he finds in himself by nature. That is the definition of the Christian struggle. Muslims do not labor under any such notion that they are sinful by nature. They are superior to all kafir and their duty to Allah is to conquer all kafir and bring them under Islam. Ibn Khaldun (1332-1406 AD) spelled it out clearly: "In the Muslim Community, Jihad is a religious duty, because of the universalism of the Muslim mission and the obligation to convert everyone to Islam either by persuasion or by force. Islam is under obligation to gain power over other nations." **2)** Islam's Doctrine of Abrogation (Al-Nasikh Wal-Mansukh, in Q.2.106; Q.16.101; Q.17.86, teaching that earlier verses Allah revealed to Mohammad in Mecca have been completely contradicted by later verses Allah revealed to him in Medina) renders Allah a very imperfect, changeable, self-contradicting, illogical Divine being. **3)** Allah is called the Khayrul Makireen in Q.3.54 & Q.8.30. This means Greatest or Master Deceiver (as given by the 4 main Quran interpreters: Ibn Kathir, Al-Qurtubi, Al-Tabari and Al-Jalalyn). A de-

ceiver is one who cannot be trusted. Whatever he says may be untrue. As Master Deceiver, Allah is, in effect, identical to the devil of the Bible (John 8.44).

Who is Mohammad? Is he a prophet of the holy God of the Bible? Is Mohammad himself holy? More than 90 times in the Quran we are told he is the ideal of humanity and we are supposed to imitate him. What did Allah and Mohammad teach and do? **1)** Encourage lying, including taqiyya to promote Islam (Bukhari 3.49.857; 5.59.369; 9.84.64; Sahih Muslim 32.6303). **2)** Encourage Muslims to earn their living by thievery (Q.48.20; Q.33.27; Q.8.69; Ibn Ishaq 327; 416-428; 503; 508; Bukhari 44.668). **3)** Command the murder of Jews (Bukhari 5.59.362; Ishaq 690). **4)** Permit Mohammad's adultery with Zeyneb, the wife of his adopted son, Said (Q.33.37). **5)** Encourage Muslim men to rape unlimited numbers of non-Muslim women: sex slaves, milk-al-yamin: "whatever your right hand possesses." These do not count as wives and having sex with them is not considered adultery (Q.4.3; Q.4.24; Q.23.1-6; Q.24.33; Q.33.50)! **6)** Allow vicious child rape and sex molestation (Bukhari 7.62.88; Sahih Muslim 8.3309-3311; Ibn Hishan vol 3.94; Ibn Athir 2.117-118; Mishkat Al Masabih p 262,272). **7)** Encourage Muslims to enslave other men. Islam is founded on slavery, enslaving more people than any other culture on earth. Islam has never abolished its practice of slavery. It still exists widely today in Africa, Arabia and the Gulf States (Bukhari 1.8.440; 3.34.295; 3.36.481; 7.65.344; Sahih Muslim 1.130; 8.3383; Guillaume pp.466-593). **8)** Make physical, military, terroristic war (Jihad) against all unbelievers, continuously, until all the kafir in the world are conquered (Q.9.5; Q.9.29; Q.9.73; Q.8.12; Q.47.4; Q.48.29; Q.3.151; Sahih Muslim 1.31; Reliance of the Traveller o.9.6). **9)** Make women in Islam the property of their husbands (Q.2.223; Abu Dawud 11.2138-39); who may be beaten and honor murdered (Q.4.34; Abu Dawud 11.2142); comprise most of the inhabitants of Hell because of their inferiority to men in intelligence & religion (Bukhari 1.6.301 & 7.62.132); are equal to ½ the testimony of men at court (Q.2.282; Bukhari 3.48.826); receive ½ the inheritance of their brothers (Q.4.11); and who must undergo female genital mutilation (clitrectomy) (Sahih Muslim 3.684; Reliance of the Traveller e.4.3). It is obscene blasphemy to declare that a man who said and did could be the prophet of a holy God. The God of the Bible cannot have any prophets who are greedy thieves, pathological liars, serial rapists, Jew hating murderers, child sex molesters, lecherous adulterers, cruel slavers and bullying wife beaters. From the description of Mohammad in Islam's very own holy books (Quran, Hadiths, Sira) it is clear that he is the rasul (prophet) of Allah, who is the devil.

What is Wrong with Islam? Most Muslims consider

themselves moderate. This is impossible to reconcile with Islam because Islam is not moderate. There is only one Islam: The Islam of the Quran, Hadiths, Sira & Reliance of the Traveller. It is not a religion of peace. It is the political religion of Al Qaeda, Hamas and ISIS, the biggest enemy of Western Civilization since Nazism, to which it bears the closest resemblance. Islam has one goal: to completely conquer the world and subjugate everyone in it to its evil, fascist, political religion. It is the most evil political agenda masquerading as a religion. It offers no freedom of speech or religion and no tolerance of religious differences. It hates and condemns all non-Muslims to: 1) conversion to Islam; or 2) Dhimmitude enslavement & payment of the Jizya; or 3) death. (Jizya is a tax, historically 50%, which non-Muslims pay to keep Muslims from murdering and robbing them – like Mafia protection money.)

What has Islam Produced? Islam is full of unlawful sex and grisly violence, producing nothing but violent cruelty in its 1400 year existence. There is no concept of holiness in Islam. The whole Islamic culture is founded on hatred, enslavement, tyranny and violence against the kafir. Islam, like the devil it is founded on, has turned everything upside down, making good evil and evil good. The whole Islamic culture is retarded and sick and needs a complete overhaul. Since Islam has declared political, military war (Jihad) against all non-Muslims (kafir) in the world, Islam will have to be destroyed militarily as the wicked religious political agenda of the devil that it is.

Should Islam be Allowed in the USA? Under no circumstances should Islam be allowed to be practiced in any part of the free world. Islam must be annihilated for the safety and well being of all non violent people in the world, just as Nazism was annihilated. Islam's teachings are evil. We must not tolerate the intolerant. The doctrines of a political agenda which is totalitarian & terroristic must be silenced. Tolerance in the face of evil is a crime.

Conclusions:

1. The Allah of Islam is not the God of the Bible but the devil (Satan) of the Bible. Mohammad, the most evil man who ever lived, is the rasul of the devil. There is no moderate Islam. There is only one kind of Islam. It is violent, tyrannical and terroristic. Islam is an enemy of Western Civilization and must be annihilated.

2. All aid to Islamic nations must stop. (How dare the free world support terrorist groups like the Palestinians and Hamas? How dare Palestinians, who already have a separate state in Jordan, demand recognition of a 2nd separate state in Israel? After 3 unprovoked wars by Muslims against Israel, which Muslims lost, the land the Muslims lost in those wars is now Jewish land.) All seditious practices of Islam must be outlawed. No new mosques should be built. All mosques and Islamic schools should be closed and their teachings outlawed. No Islamic schools should be allowed to teach Muslim children kafir/Jew hatred. All

Islamic holy books should be outlawed (just as Hitler's Mein Kampf was outlawed in Germany after his defeat in WW2). Old immigration standards should be reinstituted in the USA. Our borders must be closed to all immigrants seeking government handouts. Citizenship must be granted only to people who are ethical and hardworking, who pass strong tests on the Bible and the U.S. Constitution, and who pledge official, legal allegiance to them. New Crusades must be begun in order to wipe Islam from the face of the earth. But this time, in order to succeed, Crusaders must be close followers of God and the Bible; and not be against any Jews. The first Crusades (1095-1291) were lost because of the Crusader's unpardonable slaughter of Jews. Crusaders must not begin the new Crusades by doing physical harm to Muslims. Muslims in the West should be encouraged to give up their devilish political religion and assimilate to the free Western values of the nations they have come to live in. If they refuse, they should have their citizenship, visas, and permissions to stay revoked, and be deported. We must not allow any Muslims to live in or enter our free nations who desire Islamic Sharia law. Our country cannot preserve its precious freedom by allowing freedom to any group who would destroy our freedom after they became a majority.

3. The free countries of the West owe their freedom to the Bible foundation of their laws, culture and customs. America, Israel and Western Europe are or were Bible influenced lands; and they must take steps to ensure that their culture remains dominant in their lands, and ideally, in all other lands as well. Not by giving Muslims freedom to subjugate their people to the wicked and backward culture of Islam, but by outlawing all Islamic scriptures and by educating people in the Bible. Kemal Ataturk all but outlawed Islam in order to bring Turkey into a fairly stable democratic republic for over 90 years, which is only now tottering because of the present stealth Islamic religious oppression of Erdogan's Ak Party. General MacArthur, in his administration of post WW2 Japan, outlawed the Shinto religious foundation of Japan's evil WW2 Empire; and Japan has thrived. After Germany lost WW2, it outlawed Hitler's Mein Kampf and Nazism; and became one of the strongest, most important nations in Europe today. Crusaders must educate all the people in their nations in the Bible. America is a Bible founded land and we must return to the God of the Bible and preserve this foundation if we are to keep our freedom and superior culture.

America was Founded on the Bible: The Biblical doctrine of the sinful nature of all men requires small and limited government in order to have maximum freedom for all law abiding individuals. Be-

cause God does not allow His followers to take private vengeance against those who wrong them, God instituted civil government in order to punish evil doers (Genesis 9.6). God's commandments against coveting and stealing provide protection for private property gotten by inheritance or honest hard work. These are just a few of the Bible principles on which our great nation is founded.

Who is the God of the Bible? The God of the Bible is a God who works. He despises idleness and violence. He rewards hard, honest work. Just as the most distinctive characteristic of Allah is his hatred for the kafir, so the most distinctive characteristic of the God of the Bible is His perfect and unchangeable holiness and justice. Unlike Allah, the God of the Bible is unchangeable and perfect. He is unable to be deceptive or to sin in any way because He cannot act contrary to His own most holy nature. The God of the Bible is the God of Israel. He is the Creator and Ruler of the world and everything in it. He has special relationships to His followers: the Jews and the Christians. He calls Himself the God of Abraham (not Lot: Moab and Ammon); the God of Isaac (not Ishmael: Egypt, Arabia, Palestine); the God of Jacob (not Esau: Edom). He loves Jews and wants them to be a light to the world, a people through whom all men on earth are blessed (Deuteronomy 4.6-8 & 14.2; Isaiah 43.10-12, 21 & 49.6; Genesis 12.3 & 22.18). His Jews are His special possession. He has made them the most brilliant people on earth. He will never abandon them (Isaiah 41; Romans 9-11). God is good to all men (at least in this life) and commands His followers to imitate Him in doing good to all men, treating others as they want others to treat them (Leviticus 19.18; Matthew 7.12). The God of the Bible operates in our history. He raises some nations up, and others He puts down. This same God made America great because of its Bible following founders and its friendliness towards Jews. God caused Israel to be the freest place for Muslims to live in the Middle East; and He caused the Western nations influenced by the Bible (of which America is the foremost) to be the freest places for Muslims to live in the West. We welcome Muslims to join us in our Bible founded lands, but their wicked political religion of Islam is not welcome.

How to be Saved from God's Wrath that is to Come on the Whole World: The model for leadership in the Bible is servant-hood. The God of the Bible becomes a servant to those He saves (Isaiah 42.1; Mark 10.42-45). He is our Kinsman Redeemer who redeems His people out of their bondage to sin (Ruth 4; Isaiah 59.20). He buys freedom for His followers from His own wrath, the wrath due to them as the penalty for their sin. He is the Messiah Savior of His precious Jewish people, to whom He will soon reveal Himself (Proverbs 30.4; Isaiah 7.14 & 9.6-7 & Matthew 1.23 & John 18.36; Micah 5.2 & Matthew 2.6 & John 7.42; Exodus 3.14 & Isaiah 44.6 & John 8.24,28,58 & Revelation 1.17-18; Psalm 22 & Isaiah 53 &

Matthew 27.35; Zechariah 12.1-10; Daniel 9.25-26).

God bids all men on earth to turn away from their sin (disobedience: 1John 3.4) against His moral law, summarized in the 10 Commandments (Exodus 20). Since all men have broken these commandments, they owe the penalty demanded for their disobedience to God's justice. This penalty is eternal death in hell. Death is not annihilation. It is separation. Spiritual death is our spiritual separation from God on earth because of our sinful disobedience to His moral law. Physical death occurs at the end of our life on earth when our soul and body are separated until the resurrection. Eternal death is everlasting separation from God in the fire of hell for not having the sacrificial blood from His cross as a covering for our sin. God offers a free pardon to any individual who wants to exchange his sin for God's righteousness. Men have no righteousness of their own. Any righteousness we have comes only from God. He takes our sin to His cross so that we can take His righteousness to our (and His) heaven. It is the only way we can enter heaven without God compromising His justice. The most astounding phrase in the Bible is in Romans 4.5: God justifies the wicked – but not by compromising His Justice. The only way He can do this is to take the punishment His justice decrees against sin, on Himself. He is the Judge who sacrifices Himself for the condemned, the King who sacrifices Himself for His subjects, the God who sacrifices Himself for the ungodly. He is the Messiah Servant King. Poor Voltaire was wrong. No man could invent this preposterous a God. He is simply too perfect. Present day America has let the atheistic religious ideologies of Darwinian Evolutionism and Marxist Socialism pollute it; making America thoroughly degenerate. True Christians and American patriots must leave heretical, irrelevant churches; take back the country from devilish ideologies; and rid the land of evil doers. We are not advocating physical harm to any individuals, but we must require everyone in our land be educated in the Bible. We must bring back our nation to its Bible foundation. Until several decades ago in America, the Bible and prayer were the most important part of public education. And adultery, divorce, abortion, and homosexuality were all against the law. We are not suggesting Americans now go out and beat up homosexuals and bomb abortion mills. But these evils do need to go back into the private illegal closets where they belong. And we need to get back to God and to our Bibles. And Muslims need to come to the God of the Bible while they still can (Isaiah 55.6). And God needs to smash the Kaaba (Exodus 23.24; Deuteronomy 7.5 & 12.2-3; Judges 2.2).
