

WHO IS ALLAH?

You do not have to know Arabic to understand Allah and Islam, as many Muslim scholars falsely claim. Even most Arabic speakers do not understand classical Islamic texts. It is irrational to claim that an alleged universal religion intended for all mankind must be limited to the Arabic language. Study Islam's holy books (Quran, Hadiths, Sira) and the Bible (66 books: 39 Old Testament Hebrew books, with some verses in Aramaic, & 27 New Testament Greek books) in a modern language you understand well so that you may know what these religions are actually teaching. Only then can you make an intelligent decision about what your relationship should be to these books. These are the most important matters in your life. Give them careful attention.

According to the Bible, every holy book apart from the Bible is the work of the devil, because whoever does not know the God of the Bible is a follower of the devil (2Corinthians 4.4; 2Timothy 2.22-26; 1John 5.19; Ephesians 2.2). Is this true?

How can we discover the truth about Allah? Is he the devil of the Bible? What does Allah say and what effect has he had on his followers?

One of the more distinctive characteristics of the God of the Bible is His love. The most distinctive characteristic of the Allah of Islam is his hatred. He hates all non-Muslims (kafir, infidel). The kafir is the most despised and vilest of creatures (Quran.8.55; Q.98.6; Q.7.176; Q.7.179). The Quran tells Muslims to be compassionate to other Muslims but ruthless to the kafir (Q.48.29). Allah transformed Jews into apes and pigs (Q.5.60; Q.7.166; Q.2.65). The Ayatollah Khomeini said non-Muslims rank between feces and the sweat of a camel that has consumed impure food. In Islam there are only 2 houses. All men are in one or the other of these houses: the House of Islam or the House of War. All Islam is at war with all non-Muslims. All Muslims in the world are commanded by Allah to bring all non-Muslims into submission to Islam, forcibly if not willingly (Q.9.5; Q.9.29; Q.9.73; Q.8.12; Q.47.4; Q.3.151; Reliance of the Traveller o.9.6). Mohammad sincerely believed he was sent by Allah to bring every kafir under the yoke of Islam (Sahih Muslim 1.31). This means war, because who wants to be brought under anyone else's yoke? Even the God of the Bible has trouble getting us under His yoke. This war against the kafir is called Jihad. The kafir is the main subject of Islam's holy books (it takes up 60% of Quran, Hadiths & Sira combined) and Jihad is the most important activity of Islam (it takes up 67% of the Sira alone). So our conclusion is: Islam is not really a spiritual religion at all, but the most deadly kind of political agenda, masquerading as a harmless religion. Islam, at its core, is dedicated to the complete destruction of

our Western civilization. Jihad as an inner, spiritual struggle is a non-existent fiction of Muslims in the West who try to convince us that Islam is a peaceful religion. Peace in Islam comes only after the complete annihilation of all its non-Muslim victims. Jihad is total, vicious, permanent, physical aggression against all kafir until they are completely conquered. Allah commands this of all Muslims.

The Islamic Doctrine of Abrogation (Al-Nasikh Wal-Mansukh in Q.2.106; Q.16.101; Q.17.86) teaches that later verses Allah revealed to Mohammad in Medina completely contradict and replace earlier verses Allah revealed to him in Mecca. For example, some 124 verses teaching forgiveness and toleration of other religions (Q.2.256; Q.109.6; etc) have been replaced by all the kill-the-kafir-whenever-you-find-them verses (Q.9.5; Q.9.29; Q.8.12, etc). This means Allah is changeable and self-contradictory. By definition, change is imperfection, for what can perfection change to? Allah cannot be perfect if he is changeable and contradicts himself. Allah cannot be God if he is not perfect.

Allah tells us he is the Khayrul Makireen, the Master Deceiver in Q.3.54 & Q.8.30. (Correctly interpreted by Ibn Kathir, Al-Qurtubi, Al-Tabari and Al-Jalalyn, not as the deceptive recent translations of these verses as Master Planner or Schemer.) If someone is a deceiver, can we trust him? Can we trust anything he tells us? Master Deceiver is the name given in the Bible only to the devil in John 8.44.

In the Bible, only pagans and the heathen bow down to idols, stone objects, statues, or other physical or material objects, whether God made or man made. Allah has Muslims bow down to a big black stone in Mecca 3-5 times a day.

How Mohammad lived and what he taught are the clearest indications of the identity of the Allah he served and worshiped. Islam teaches that Mohammad is the Rasul (messenger, prophet) of Allah. More than 90 times in the Quran we are told Mohammad is to be imitated as the ideal of humanity. What is this man like that we are supposed to imitate? Can anyone's conscience allow him to imitate a man who taught and did the following?

(1) Allah encourages lying (Sahih Muslim 32.6303). With typical illogical Islamic logic, he says that saying something untrue is not the same as lying (Bukhari 3.49.857). (Everywhere else in the world, that is the definition of lying.) Also, lying (taqiyya) is encouraged in order to advance Islam (Bukhari 5.59.369 & B.9.84.64).

(2) After his first wife Khadija died, Mohammad moved to Medina where he began earning his living as a thief by robbing caravans and murdering their leaders (Q.48.20; Q.33.27; Q.8.69; Ibn Ishaq 327; 416-428; 503; 508; Bukhari 44.668). He became extremely

rich in this way.

(3) He committed adultery with his adopted son's wife Zeyneb (Q.33.37). Some Muslims say this was not adultery because this verse was written after Zeyneb divorced Said, but this would make no difference. In the Bible, to have sex with anyone who is or has been married is adultery (except for sexual unfaithfulness, desertion or death of the spouse) (Matthew 19.9; 1Corinthians 7.15). (And beating is desertion in reverse, because God never asks any woman to stay with a cowardly, bullying husband who is beating her.) Because of his adultery, to this day, there is almost no adoption of children among Muslims, on account of the laws of consanguinity regarding sex between close relatives, all because of Mohammad's adultery with the wife of Said, his adopted son.

(4) Allah encourages the unlimited rape of all non-Muslim women, whoever they can capture (milk al-yamin, "whatever your right hand possesses," Q.4.3; Q.4.24; Q.23.1-6; Q.24.33; Q.33.50). These are sex slaves. They do not count as wives and sex with them is not considered adultery! Countless European women are today being raped in their own nations by immigrant Muslim rapists. The Muslim attitude toward these kafir women is that by not covering themselves like Muslim women they are asking to be raped.

(5) Mohammad had sex with a little child (Bukhari 7.62.88; Sahih Muslim 8.3309-3311). There is no way a child 6-9 years old can give consent for sex and marriage to an adult. And this cannot be made acceptable by attributing it to cultural differences, even in the case of a feeble-minded father who gives his consent to the sexual molestation of his own child, as Abu Bakr did in the case of his daughter Ayshe (Bukhari 7.62.18). (Abu Bakr was the 1st Caliph after Mohammad died.) This is nothing less than vicious, violent child rape and sex molestation. The legal age for marriage for girls today in Iran is 9 (Civil code Article #1041), but religious, Sharia compliant Muslim men all over the globe are raping much younger girls, even infants. Mohammad set the example. This sin of having sex with little children is so atrocious that it is not even recorded in the Bible.

(6) Allah's Jew hatred is extreme, notorious and irrational. This is not mere private prejudice. It is racist genocidal mass murder clearly mandated in Islam's holy books. It started when the Jews refused to accept Mohammad as a prophet. Because of this, he murdered 50% of the population of the city of Medina in Arabia, which was Jewish in his day (Ishaq 690; Bukhari 5.59.362).

(7) Islam is founded on slavery. Mohammad owned and traded many slaves (Bukhari 1.8.440; 3.34.295; 3.36.481; 7.65.344; Sahih Muslim 1.130; 8.3383; Guillaume, Life of Mohammad, pp.466-593) which he acquired from his caravan raids and jihad attacks. A racist, he called black people raisin heads (Bukhari 1.11.662). The

practice of slavery in Islam has never been abolished. It still exists widely today in Africa, Arabia, and the Gulf States. Numerous unfortunate people falling into the hands of Saudi, Qatar, and other Gulf State employers are experiencing extreme barbarity. Muslims lure people from poor countries, like the Philippines, to come to work for an agreed upon salary. These become actual slaves of their 'employers' when they are unable to escape, being paid nothing and their passports being confiscated. Many women from poor countries are among the newest sex slaves of Islam, while many of the men from these countries have become labor slaves for Muslims. This barbarism is all part of Islam's policy towards non Muslims (infidel, kafir). It is divinely approved by Allah. These are the kinds of things Mohammad did and his followers are still doing to this day.

(8) Allah teaches the following about women:

a) Women in Islam are chattel, the property of their husbands, like fields men can go into and plow whenever and however they want (Q.2.223; Abu Dawud 11.2138-39).

b) Women are inferior to men and may be beaten by their husbands (Q.3.34).

c) Women comprise most of the inhabitants of hell because of their inferiority in intelligence and religion (Bukhari 1.6.301 & 7.62.132).

d) Women have ½ the value of men's testimony at court (Q.2.282; Bukhari 3.48.826).

e) Girls receive ½ the inheritance of boys (Q.4.11).

f) Muslims require women to undergo the savage practice of female genital mutilation: clitorrectomy (Sahih Muslim 3.684; Reliance of the Traveller e.4.3;). This is not a minor surgical procedure, as is male circumcision. This barbarism is most often performed on near teenaged girls without anesthesia. The most radical form of this savage practice renders a woman unable to enjoy sex and unable to be clean in her genital area for life.

g) The ultimate cruelty against women in Islam is honor killing. A Muslim man's honor depends on the social activity of the women in his household. Sharia courts are not allowed to question a man as to why he beats his wife (Abu Dawud 11.2142). There is no legal protection for women in Islam against savage beatings by husbands. No man will be prosecuted in these courts for personally murdering his own daughter, wife, sister, or mother if he feels their conduct brings shame to him. Many beatings and honor murders are about such trivial matters as women's head coverings. We cannot forget the March 11, 2002 Mecca girl's school fire in which 15 Saudi girls died because the religious police would not let them come out of the building without proper head coverings. Sharia law, when allowed to be

practiced in the West, is especially abominable for Muslim women: By not being able to come under the protection that our Western laws grant to all women, they cannot escape the horrific treatment Islam allocates to them.

h) Islam's claim that women are more protected and honored since Mohammad's time is simply bizarre. There is no woman today in Sharia Islam (practicing Islamic law) like Khadija, the 1st wife of Mohammad. She ran her own business and was master of her own life. On the contrary, Islam brought the greatest enslavement to women the world has ever known, an enslavement still going on after 1400 years.

We know all Muslims don't practice these hideous things. But many do. The point is, these things are promoted in Islam. They are divinely sanctioned in its holy books. They are taught by Allah. They were practiced by Mohammad. And they are identical to the teachings of the devil in the Bible.

What does the Bible teach? What effect has it had on its followers? Are Muslims different from Jews and Christians? As different as Allah is from God? Muslims have the reputation of being lazy, backward, poor, dirty, deceptive, greedy, preoccupied with sex, and violent. Is this true? Yes. But this is the Bible's description of the nature of all men before they know God: they are followers of the devil. The reason Muslims have this reputation while Bible believers don't is because Muslims are following the teachings of Islam's Allah; and these are identical to the teachings of the devil of the Bible. Only the followers of the God of the Bible can discern between good and evil. There is no knowledge of right and wrong among men except from those who know the God of the Bible or those influenced by them. It is the God of the Bible who has made Jews and Christians the most brilliant and accomplished people on the planet. And in the 16th Century Protestant Reformation, when the Christians rediscovered the Bible and started following it, God gave the Americans, within a century, in the beginning and founding of America, a nation that became the greatest, most unique, most powerful, richest, most generous, most technologically advanced, most superior nation on earth: a nation everyone wants to come to and live in. How? America's founders followed Bible principles in founding our nation and this is what made America great. In the Bible, God emphasizes His relationships with individual believers and protection for their life, private property, freedom of speech and conscience. Because all men are by nature sinful, government must be small and strictly limited in power, its main function being the punishment of evil doers (Genesis 9.6). And money in the Bible is not issued by government but arises out of the marketplace (Genesis 23.16). Men can be free only when government is small and strictly lim-

ited. And Capitalism is the only honest way men and nations can produce wealth. But now all this has changed. We American Christians of today have fallen away from our God and are a disgrace to His word, the Bible. For fear of losing tax benefits for non-profit organizations (since 1954), we have stopped educating church goers on political and economic issues. In our present, irrelevant, clubby churches we have let America lose its Biblical influence in government, economics, religion and ethics. Instead of our Biblical, limited, representative, constitutional government with its superb capitalistic free market economic system, emphasizing the individual and his protection and freedom of speech and religion, and the correct Bible doctrine of the Westminster Standards of Faith of 1648, we have let the godless religions of Darwin, Marx, Wellhausen, Freud, Dewey and Keynes flood our land with their stupid, evil teachings, resulting in America's present day degeneracy, crime, alcoholism, pornography, fornication, adultery, divorce, homosexuality and the rivers of blood of the 60 million unborn babies we have murdered since the legalization of abortion in 1973 (the same year the American Medical Association stopped classifying homosexuality as a mental illness). Isn't it obvious that God is judging us now? Isn't that why America and Israel are surrounded by all these Islamic nations plotting our annihilation? But God is faithful. When He is finished disciplining us He will turn us back again to Himself and destroy those He employed to discipline us. Just as He destroyed all the evil nations He employed to discipline His ancient nation Israel. America is lost if it doesn't recover its Bible heritage. **So we have a suggestion to make. Why don't we all just go back to the Bible? All God's wayward Christians and Jews who are not following God properly; and all the Muslims who never knew the God of the Bible.**

What is God like? What does He want of us? It is clear He is not obsessed with sex and violence like Allah is, except to tell us that everything Allah permits, God forbids. How does the God of the Bible describe Himself? God is perfect, holy and unchanging, characteristics which Islam's Allah completely lacks. God cannot lie or do sin of any kind. He cannot deceive us (like Allah 'deceived' the Christians into believing Jesus died on the cross) or contradict Himself. He is simply not able to act contrary to His holy nature. He is loving in the sense that He treats even His enemies well, and commands us to do the same (Exodus 23.4-5; Leviticus 19.18; Matthew 5.43-48; Luke 6.27-36). He never forces Himself on anyone. He draws men towards Himself through their hearts (Proverbs 21.1; John 6.44,65). But God does test us (Deuteronomy 8.2 & 13.3). After our

perfect first father and mother fell in sinful disobedience to Him, they transferred their newly acquired sin nature to all their children: us. We never have to teach our kids to sin: lie, steal, hate others in their hearts, disobey parents, covet what others have, etc. They do all these things naturally out of their own sin nature. Sin is disobedience (1John 3.4) to God's moral law, summarized in the 10 Commandments (Exodus 20). Every person on earth is guilty of sin. God cannot overlook our sin. It has a penalty which must be paid. Either we pay by going to hell forever, or we find a perfect substitute willing to pay the penalty for us. This is what Christ offers us: His perfect (because He is God) corban sacrifice (because as a man He is capable of dying) on the cross to pay the penalty our sin owes to His justice. He does not indulge or overlook our sin, like Allah does, but rescues us from it. God became a man so that He could die as a sacrifice for men. If we do not have His blood covering our sin, we expose ourselves to the eternity in hell that God's law requires for our sin's penalty. Eternity in hell is a long time to be wrong, aside from being very painful. Our new resurrection bodies are going to be indestructible. And the fire is eternal. God lovingly bids us to turn away from our sin and towards Him, and avail ourselves of this gift of His death on the cross to pay for our sins. It is free. It is a prayer away. And He promises not to refuse anyone who comes to Him no matter what they have done (Isaiah 55; Matthew 11:28-30; John 6:37b). And God never changes or contradicts His words, like Allah does. You can trust the God of the Bible.

It is clear from the Islamic teachings that the Allah of Islam is the devil of the Bible. Both in what he teaches his rasul Mohammad, and in what Mohammad by his example teaches his followers. There has never been a more monstrous man in history than Mohammad. How could 1.2 billion Muslims be duped into following such a criminal? He was a pathological liar, greedy thief, genocidal mass murderer, serial rapist, lascivious adulterer, child sex molester, racist slave trader, and cruel wife beater. What is there for decently raised men to imitate? No wonder Islam is so appealing to all the racist thugs being converted to it in present day American prisons. It is tailor made to fit the most vile thug who wants to lie, steal, murder, rape, molest children, enslave and beat others up, all with divine sanction. The golden age of Islam is a myth. Islam has never contributed anything to civilization except abject cruelty and grisly violence. In their marauding rampage of murder, looting, rape and land stealing, Muslims for 1400 years have been beheading, raping, looting Jews, Christians, Hindus and Buddhists, and stealing their lands. And they have not changed their Kafir/Jew hate agenda one iota. The reason the Crusaders lost the Crusades was un-

doubtedly because they began wickedly slaughtering Jews. Only Bible illiterates and retarded men go against Jews. How could people be so stupid as to want to exterminate those whom God loves and protects? God chose Jews to be a light to the world and a special people for Himself, a people through whom all men on earth are blessed: (Deuteronomy 4:6-8 & 14:2; Isaiah 43:10-12, 21 & 49:6; Genesis 12:3 & 22:18). God has a special relationship to His Jews. He will never abandon them (Isaiah 41; Romans 9-11); and soon He will reveal their Messiah to them (Proverbs 30:4; Isaiah 7:14 & 9:6-7 & Matthew 1:23 & John 18:36; Micah 5:2 & Matthew 2:6 & John 7:42; Exodus 3:14 & Isaiah 44:6 & John 8:24,28,58 & Revelation 1:17-18; Psalm 22 & Isaiah 53 & Matthew 27:35; Zechariah 12:10; Daniel 9:25-26). Anyone making war against Jews is making war against God Himself (Isaiah 41:8-17; Obadiah 1:10-21). How absurd to talk about Palestine being occupied by Israel. Why do we need a 2nd Palestinian state when we already have one in Jordan? The whole of North Africa, the Levant, Anatolia, the Balkans and all the land until China and India is occupied by Muslim marauders. What the Christians and Jews should do is to take back all their stolen land and crush the most wicked devil-Allah religion once and for all, just like we crushed Nazism.

Muslims, arise and throw off the chains of your most devilish, insane, racist, kafir/Jew hating religion. You have nothing to lose but the chains of the psychopathic, fascist nonsense and totalitarian terrorism that is Islam. We never wanted war with the Nazis. They forced us to fight their racist plan to conquer us in WW2. We annihilated them, but it cost millions of lives. What a waste. Islam is so much like Nazism: same political agenda, same racism, same Jew hatred, same totalitarian fascist terrorism, same insane desire to conquer the world. Muslims must come away from the retarded things they have been taught in Islam. They must study the Bible to find the true and living Creator and Ruler of the Universe, and the holiness and love He now offers them. Jews and Christians do not behead people because they have a different religion, or blow themselves and others up in order to defend their religion. Only Muslims do this kind of insanity.

Come and worship the God of the Bible. You don't deserve Him. None of us do either. God didn't choose us because we are better than you or any other people. He makes us different after He takes hold of our dark evil little hearts. Now the time has come for you to give Him your dark evil little hearts.
